Red Cross Secretary's Report

The Center Harbor Red Cross has been quite active during the past year. As in former years the Red Cross has sponsored the water safety program by having a swimming instructor. Most of the children in this area have learned to swim under the able direction of Annalee Bean of Laconia.

Great credit goes to the Selectmen of Center Harbor for the many improvements made at the beach during the past summer. A shelter of some kind is needed and we feel sure that this will be taken care of in due time.

A great deal of credit is also due Mrs. Florence Henriksen and Miss Ada Ainsworth for the thousands of surgical dressings that they have made. These dressings are available at all times. Mrs. Henriksen would appreciate old sheets or any soft white material that can be used for making these dressings.

The Red Cross has several articles of hospital equipment available including 1 hospital bed, 2 wheel chairs, a convalescent walker, crutches and other small items. This equipment may be borrowed by anyone needing it by contacting either Mrs. Amy Brown or Mrs. Carrie Kelley. The bed and both wheel chairs are in use at the present time.

Respectfully submitted,

CARRIE H. KELLEY

Forest Fire Warden's Report

Dear Mr. & Mrs. & Family:

Once again our region is covered with snow and the forest fire hazard has disappeared, but to your local forest fire warden it is just a time to check over his equipment and check the causes of the fires he has had. We know that our biggest cause of forest fires are careless people burning rubbish, brush or debris without a permit or in an unsafe place. When this fire gets away from them and help is needed to put it out they then plead that they did not know a permit was required for the incinerator or this type burning. Well the old saying ignorance of the law is no excuse fits in here very well. The forest fire laws have been in the newspapers, on the radio and on television and are on some posters, and there should be no excuses for not knowing a permit is required for all outdoor burning. In this year's report we are going to quote the law of the state of New Hampshire in regards to permits, this is found in Chapter 233 - Section 35 revised laws, State of New Hampshire.

Permits

35b No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump in or near woodlands, pasture, brush, sprout, waste, or cutover land or where fire may be communicated to such lands, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

Liability for fires without permit.

36 Any person causing or kindling a fire without permit of the forest fire warden when such permit is required and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town or the state or both, of the expenses incurred by the forest fire warden or his deputy warden in attending or extinguishing such fire.

Penalties

38 Any person violating any provisions of section 35 shall be fined not more than two hundred dollars or imprisoned not more than sixty days.

Report of Civil Defense Unit

C. D. Headquarters—Firehouse

C. D. First Aid Centers

West Center Harbor Area—Dr. Hale's residence

Center Harbor Village—Library

Receiving Center for Evacuees—Grange Hall

Mass Feeding—Congregational Church

A reorganizational meeting of the Town's Civil Defense Unit was held at the Firehouse on April 5, 1957. Since that time, several Civil Defense Films have been shown the group. Each unit has taken part in practice Test Alerts and practice Mass Feedings.

The Auxiliary Police Unit took a 10 week course with the Meredith Unit.

A course was given at the Firehouse for several evenings pertaining to Radiological Fall-out. After completing the course the Center Harbor Civil Defense Units received instruments for measuring the radioactive fall-out and for testing food and water against radioactivity.

Three First Aid Lectures by Dr. Conrad were held at the Headquarters. All these C. D. meetings are open to anyone.

Helmets and Arm bands have been issued to the various members for use during an emergency.

At the 1958 Town Meeting, money was voted for C. D. use. A new Base Station was ordered for the West Center Harbor area. The radio is on the Forestry Band (same as the fire trucks) and is to be placed at Dr. Hale's residence since Dr. Hale is a Deputy Fire Warden and Medical Officer of our C. D. First Aid Unit.

In times of enemy action, Center Harbor's mission is to receive, feed and care for 1,824 evacuees from Massachusetts. We have tried to survey the capacity of each home in hopes of having an idea where these evacuees could be placed.

Listed below are the members of the Civil Defense Unit:
